

A Global Opportunity is at your Door.

Chances are, you have clients who will soon be traveling internationally and their domestic coverage won't be enough. You could be earning easy commissions on a product that many of your clients already need - International Medical Insurance through International Medical Group® (IMG®). We have been offering insurance products to travelers and international citizens since 1990.

Here are some examples of clients you may already have who need your help:

- International vacationers
- Graduating seniors going to Europe
- 65+ traveling that Medicare may not cover
- Missionaries-groups or individuals
- U.S. firms sending executives abroad
- Relatives visiting from overseas
- Families sponsoring exchange students
